TENDER NOTICE

CONSTRUCTION OF A 50M COMMUNICATIONS TOWER AT KALINZU, AND RELOCATION OF TOWERS FROM BWENTALE AND QUEENS PAVILION TO KATOKYE AND KATUNGURU RESPECTIVELY.

Project Title: Establishment of an Efficient, Effective and Reliable Communications Network to Support Wildlife Law Enforcement Operations throughout Queen Elizabeth Protected Area, Uganda

This project is funded by the European Union through UNEP.

The Uganda Conservation Foundation is a UK charity and Ugandan non-profit, registered locally as Uganda Conservation (U) Ltd. UCF's mission is to support in safeguarding Uganda's natural heritage and regional development by implementing practical conservation and regional development programmes, influencing policy-makers and engaging the public. We work closely with the Uganda Wildlife Authority, and have projects in and around the protected areas in the country.

Subject of Tender:

- Uganda Conservation Foundation invites bids for the construction of a 50-meter communications tower at Kalinzu and relocation of towers from Bwentale and Queens Pavilion to Katokye and Katunguru respectively.
- Detailed technical specifications are included within the tender documents which can be obtained by contacting procurement@ugandacf.org to request for the tender documents.

Kindly include **“UCU-WRKS-0062021 Tender for Construction of a 50m communications tower at Kalinzu and relocation works in in Queen Elizabeth National Park”** as the email subject. Clearly indicate your company name in the body of the email.
