CONSERVATION
FOUNDATION**

TENDER NOTICE

CONSTRUCTION OF A PIER AT RWENSHAMA MARINE RANGER STATION, QUEEN ELIZABETH NATIONAL PARK.

Project Title: Cross Regional Wildlife Conservation in Eastern and Southern Africa and the Indian Ocean.

This project is funded by the European Union.

The Uganda Conservation Foundation is a UK charity and Ugandan non-profit, registered locally as Uganda Conservation (U) Ltd. UCF's mission is to support in safeguarding Uganda's natural heritage and regional development by implementing practical conservation and regional development programmes, influencing policy-makers and engaging the public. We work closely with the Uganda Wildlife Authority, and have projects in and around the protected areas in the country.

Subject of Tender:

- Uganda Conservation Foundation invites bids for the construction of a pier at Rwenshama Marine Ranger Station in Queen Elizabeth National Park (QENP.)
- Detailed technical specifications are included within the tender documents which can be obtained by contacting procurement@ugandacf.org to request for the tender documents.
